

## ANTARCTICA FLY CRUISE - ANTARCTIC EXPRESS: FLY THE DRAKE | OCEAN EXPLORER

### INTRODUCTION

See your first glimpses of the dramatic landscapes of Antarctica from the air, as you fly by charter plane across the infamous Drake Passage from Punta Arenas, to land only hours later on the South Shetland Island of King George. From here you cruise in style aboard the refined and luxurious Ocean Explorer, to discover the wonders of the White Continent. Shore landings by Zodiac take you to beaches dotted with penguins and seals, to visit research stations and to hike to a penguin rookery. Zodiac cruises take you out in search of whales and seals and in amongst beautifully sculpted icebergs, set against spectacular landscapes of snow-capped peaks, icy plateaus and glaciers. This is the ideal cruise for those who are short on time but want to experience the wonders of Antarctica.

## ANTARCTICA FLY CRUISE - ANTARCTIC EXPRESS: FLY THE DRAKE | OCEAN EXPLORER

### DAY 3: Antarctic Peninsula & South Shetlands - Day 3 to 6

There are few places in the world as evocative as Antarctica. The Antarctic Continent is indescribable and can only be fully appreciated through your own eyes. As your Captain and Expedition Team keep a lookout for whales and seabirds, you'll be alerted to any new sightings. Our team of expert presenters will deepen your experience with explanations of the glaciology, history and wildlife of the region, and presentations on photography to help you take memory catching images. Even more exciting are your daily excursions. Your first Zodiac landing is something you'll never forget. Walking on a shore inhabited by thousands of penguins is the most intimate way to experience the unique wildlife of Antarctica. Each landing is different and is dependent on weather, but every day presents new sightings and photo opportunities, and it won't be long before you can tell the difference between Adélie, gentoo and chinstrap penguins. You may take a Zodiac cruise in search of whales and icebergs one day, followed by a hike to a penguin rookery the next day. From the booming sound of a calving glacier to the thrill of spotting apex predators like leopard seals and orcas in action, you'll wake up early and welcome each day with a sense of adventure and a desire to explore during this unrivaled wilderness experience. Your Expedition Team will accompany you all along the way, providing insights into the places you visit.
